

ANR

PARAFRAP : Alliance française contre les maladies parasitaires

Aix-Marseille
université

Inserm

1st biannual PARAFRAP conference

« From basic research to intervention strategies against parasites »

Les Embiez Islands

September 29th – October 2nd 2014

Organizing committee:

Alain Dessein, Christophe Chevillard (*local organizers*)

Aix-Marseille University, INSERM

Arthur Scherf

Pasteur Institute, Paris

Stanislas Tomavo

Pasteur Institute, Lille

Frédéric Bringaud

Bordeaux University

Nancy Guillen

Pasteur Institute, Paris

Invited speakers:

Pr. Kami Kim

Pr. Jean Langhorne

Pr. Mike Barrett

Pr. Michael Boshart

Pr. Jean Claude Dujardin

Pr. Michael Lanzer

Pr. Etienne Pays

Pr. Peter Preiser

Pr. Alan Sher

Abstract deadline: July 14th 2014

Registration deadline: July 30th 2014

Limited to 150 participants

Online registration: <http://www.parafrap-conf.com>

Site will be open in February 2014

Registration fees: Student/postdoc 250 € HT, Others 350 € HT

Including registration, food, lodging

Themes:

Parasitic diseases in the post genomic era

Mechanisms of pathogenesis and protective immunity

Parasite molecular and cellular biology

Toward new intervention strategies against pathogens
